

Bossier Federal Credit Union will award three scholarships each year to provide students with financial assistance toward post-secondary education.

Please submit all of the following: a completed application, a current official grade transcript and a typed, double spaced essay of approximately 500 words.

Essay Topic: Describe the ideal financial product or service that should be developed and marketed to your generation. Be creative in conveying what would engage you to your financial well being and future.

Requirements: In order to qualify for the essay scholarship, the applicant must be enrolled or accepted as a full-time undergraduate student at any institution recognized by the Louisiana Board of Regents. The scholarships are for undergraduate students only. The student must be a high school senior and must agree to and abide by the terms of the application.

Associates, volunteers and staff of Bossier Federal Credit Union and their immediate family members are not eligible to apply.

For answers to questions, log onto our website www.bossierfcu.org or call 318.742.4090 and ask for the Marketing Department.

Selection: Applications will be sent collectively to the Selection Committee after March 26, 2010. Judging is based on academic achievement (GPA, scholastic honors and awards), extracurricular activities, work experience, and the written essay. The essay is judged on content, creativity, and clarity. Additionally, grammatical and spelling errors will disqualify your entry. Essays may be published.

Scholarship winners will be notified personally no later than April 30, 2010. Non-winners will not be contacted. Winners are asked to submit a photo for publication in our membership newsletter. Awards are presented in the student's name and are sent to the winners prior to the start of the fall semester.
